Discuss options, approaches, and what will be involved with your project. Expand the project description as more information becomes available.

Resolving conflict:

<https://experiential.sg/five-steps-to-manage-resolve-conflict-in-the-workplace/>

- Express concerns in meetings or over Slack
- Clarify pros and cons for both sides
- Practice active and empathetic listening
- Brainstorm options with a win-win outcome in mind
- Develop an agreement that works for all.
